## 28th Annual Car & Motorcycle Show May 1<sup>st</sup> 2022

Dear Valued Supporter,

Our Annual Car and Motorcycle show is celebrating its Covid-19 delayed 28th Anniversary this year. Unfortunately, our 2020 and 2021 shows were cancelled due to the pandemic. If you remember we reached out to you, our dedicated supporters, in April 2020 to announce the first cancellation and ask if there was anything we could do to help your business during the many shutdowns we've endured. We hope you have been able to weather the storm; it was not easy for anyone and our ability to assist those in need was greatly impacted by our inability to have our fundraisers of which our annual car & motorcycle show is our biggest event by far.

This year, we are dedicating our show to our Health Care Heroes & First Responders. Without them we would not have made it through these difficult two years

Supporting these everyday heroes seems like a no-brainer in these trying times. Healthcare workers and first responders experienced the pandemic in a way that cannot be understated or understood. Many found themselves afflicted and far too many succumbed to this terrible virus.

Our health care workers, first responders and of course our military are called into service without a moment's notice; their skills have proven to be invaluable in saving lives and protecting the way of life we are accustomed. This type of action happens every day. It is our pleasure to dignify these extraordinary sacrifices.

We are asking for your support. Please find it in your heart to support those who protect and serve us, and our children, every day.

Your participation helps us support those in need.

Hope to see you at the show!

Sincerely yours,

Nam Knights of America MC
