

**2024 Nam Knights Motorcycle Club Inc.
Car & Motorcycle Show**

Benefitting Veterans and Law Enforcement Officers

**30th Annual Car & Motorcycle Show
May 5th, 2024**

Dear Valued Supporter,

Our last two shows after our unfortunate 2020/2021 Covid-19 hiatus have been better than ever. We have you, our generous supporters, to thank for that. More cars & bikes, more spectators and fantastic weather have helped us make our show the best in can be.

This year commemorates two milestones for our organization. 2024 not only marks our 30th Car & Motorcycle Show but in July we'll celebrate the club's 35th Anniversary. It's been our honor to have you with us on this ride.

We are hoping that we can repeat that success this year, with help from the weatherman as well, and we are once again asking for your help.

With your support the Nam Knights assist a myriad of charities and organizations all over Bergen County. We work closely with local Veteran and Law Enforcement entities as well as civic minded groups all around the county. We are particularly proud of our association with the Paramus Veterans Home, where our original Car Show was held for many years before we outgrew the location.

With your generous assistance we hope to make this year's show even better. And since we truly believe that we also have an obligation to support those that support us your businesses name is listed in our annual show journal so that everyone attending, both the entrants and spectators, know that your business is one they should be patronizing. That's better than a YELP review! 😊

Your participation helps us support those in need.

Hope to see you at the show!

Sincerely yours,

Nam Knights Motorcycle Club Inc.

Our Mission: The mission of the Nam Knights is to honor the memory of American Veterans and Police Officers who have lost their lives in the line of duty, to assist Veterans and Police Officers in their time of need, and to promote community awareness through sponsorship and participation in various community and fundraising events.
